

SUGA 95.7 WSGD FM

The Station for the Nation

HURRICANE IAN UNDERWRITING/SPONSORSHIP

Hello, Suga, 95.7FM listeners. Hurricane Ian left a trail of destruction in SW Florida. Our communities are severely affected - flooded homes and businesses, damaged roofs and in many cases, homes destroyed by the furious winds of the hurricane. Lives have also been lost. So, the Suga 95.7 FM family is taking this opportunity to express empathy with those severely affected by this hurricane Ian. We feel your pain and wish for you a speedy recovery from it all.

Suga 95.7 FM was also devastatingly affected by the hurricane. We lost valuable equipment, including the radio's antenna and transmitters which were severely damaged. Naturally, this has hindered the station's broadcasting operation. Currently we are only available on the internet at <https://suga957.com/>, and on our app at Suga 95.7 FM. We are aware that there are many needs out there. And as a not-for-profit entity, we are totally dependent on donations to meet our need for survival. So, in humility, we must ask for your assistance in our recovery efforts. We must replace the damaged equipment to effectively provide you with the usual quality programming.

Please feel free to make your donation to Sumarrase, Inc., DBA Suga 95.7 FM. This is a 501c3 organization so your donation will be tax-deductible. Donate today on gofundme <https://gofund.me/31cc28ad>, Zelle at info@suga957.com, cash app at \$suga957, or by check mailed to Suga 95.7 FM, 3507 Lee Boulevard, Suite 254, Lehigh Acres, FL 33971. Suga 95.7 FM thanks you for your kind contributions and support.

Yours sincerely,

Dwayne Williams
